Dear Mr. Shields:

I am pleased to re-submit our amended Washington State Plan for the Temporary Assistance for Needy Families (TANF) Program which was initially submitted on December 18, 2013.

The enclosed Plan includes the additional details that you requested regarding our state's policies and practices for preventing use of TANF assistance in automated teller machines or point-of-sale devices located in liquor stores, casinos, and adult entertainment venues. A detailed summary of these changes can be found in the Introduction of the Plan beginning on page xiii. Changes are underlined within the body of the Plan. This amendment is effective October 1, 2012 and now accurately reflects the TANF Program as it exists in Washington State. The Washington TANF State Plan can be viewed on the Internet at:
<http://www.workfirst.wa.gov/about/tanf.asp>.

We look forward to hearing from you regarding the completeness of the Washington TANF State Plan, and working with the Department of Health and Human Services in the continued operation of the Temporary Assistance to Needy Families Program in this state. Thank you in advance for your assistance.

Sincerely,

Kevin W. Quigley
Secretary
